ISSUE DATE 06-08-11

RE: RFP for Operations and Maintenance of the Water, Sewer, Streets,
Drainage and Equipment Maintenance Systems
Bids due 06-13-11 at 10:00 am

Plans and specifications modified as follows:

Please note that the submittal of the proposal will remain at the Procurement Office, 1410 24th Avenue, Gulfport, MS 39501, no later than 10:00 am on June 13, 2011. In order to allow adequate room for all participating in the bid opening process, at 10:01 am the bids will be taken to City Hall, City Council Chambers located at 2309 15th Street, Gulfport, MS 39501 at which time we will acknowledge the proposals and read prices out loud.

Question:

I know this question may be answered several times in the spec, but I just want to be sure that the OWNER is paying full insurance for the building (i.e., fire, wind...), vehicles and equipment. Does the OPERATOR need any coverage for when it is operating the OWNERS vehicles or equipment? Also does the OPERATOR need any liability insurance coverage for the building at all?

Answer: It specifies insurance requirements in the contract. Yes the contractor will be required to provide insurance for vehicles and equipment per contract.
